HIGHLIGHTS OF 2024

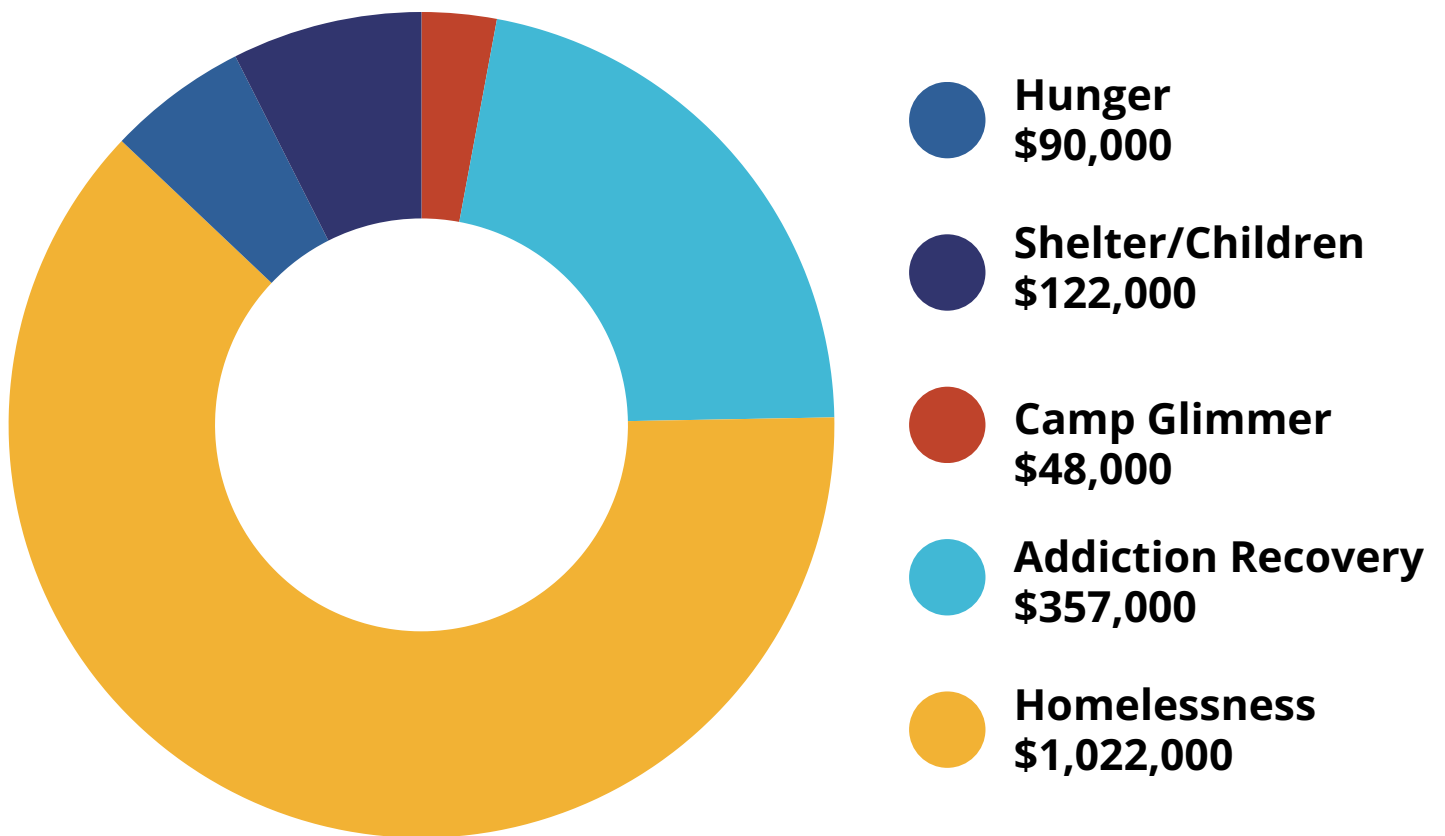

Thanks to our incredible partners, Glimmer | Austin is proud of the impact we have made together in Austin and Travis County in 2024.

This year, we have:

- Helped house homeless families, children, youth, and individuals providing safe and stable short-term and permanent housing.
- Collected surplus food from supermarkets and distributed it to those in need - delivering food to hungry families, children, and individuals.
- Ensured access to safe spaces and shelters for abused mothers and their children.
- Supported individuals on their journey from addiction to recovery.
- Over 600 children enjoyed a fun-filled summer camp experience at Camp Glimmer - free of charge.
