A History of Hope & Help

It has truly been a monumental and impactful 20 years of growth as a foundation! Since the beginning in 2003, Glimmer|Austin understood the importance of connecting with community, building relationships and authentic partnerships with dynamic leaders, and investing in programs that offer “hope” extending far and deep into central Texas. Throughout the years, the foundation has supported innovative approaches that dramatically affect the lives of those marginalized, primarily in geographical areas of great need. The overall goal was to share resources and harness best practices from the private and public sector to strengthen and scale Austin’s nonprofits that work to address the challenges of those living in extreme poverty and despair.

In 2022, Glimmer|Austin supported 21 local organizations by investing over \$1.4 million that impacted more than 5,400 people which included the homeless, those facing hunger or food insecurity, women and children living in shelters, and those individuals experiencing substance abuse addiction and recovery. Moreover, as a result of cultivating and partnering with several significant donors, G|A secured an additional \$1.6 million to be invested in strategic projects serving our community! Those organizations supported this year offered training opportunities and jobs or “dignified income” for the homeless as well as, created a pathway for unhoused individuals that have a desire in “going home” to be reunited with their families. Additionally, because of an increase in substance abuse cases and fatalities, the foundation continued to support recovery programs that provide guidance, direct support, and outdoor activities for those individuals struggling to overcome addiction.

Since inception, the foundation has granted over \$11.4 million, locally, to more than 250 nonprofit organizations. Behind the numbers are the people in need that we care about and support. They are hungry, homeless, recovering, and poor. They are also kind, deserving, resilient, and brilliant! We see them as our neighbors and community members facing severe and critical challenges. Our mission is to offer “Hope” and “Help.”

As we reflect on the beginning of the foundation 20 years ago, we are deeply grateful for the partner organizations and changemakers that are continuing to thrive and serve. As you review our 2022 Impact Report, we invite you to learn more about the amazing work that they do, and the joy it brings us to support their visions for our wonderful city.

Thank you, Austin!

2022 STRATEGIC GRANTS

Mobile Loaves & Fishes

Mobile Loaves & Fishes continues their expansion toward the construction of a community cluster or group of neighboring homes built around shared communal amenities and an open greenspace for the residents. MLF Community First! Village also offered opportunities for its residents to earn a “dignified income,” as well as promoted trusting relationships, and provided supportive care, restorative practices, and conflict resolution among its neighbors, volunteers, and staff.

The Other Ones Foundation

The Other Ones Foundation offers humanitarian aid, temporary shelters, case management, and extremely low-barrier work opportunities to people experiencing homelessness in central Texas. TOOF's "GOING HOME" program reunites individuals facing homelessness with family or loved ones in order to rapidly exit or divert them from living unhoused.

2022 STRATEGIC GRANTS

GLIMMER | AUSTIN

The Phoenix-Austin

The Phoenix-Austin fosters a supportive, physically active, peer-to-peer community for individuals who are recovering from a substance use disorder and those who choose to live sober. Their mission is to build a sober active community that fuels resilience and harnesses the transformational power of connection so that together “we rise, recover, and live.”

Ending Community Homeless Coalition

ECHO serves as the lead organization that plans and implements community-wide strategies to end homelessness in Austin and Travis County. ECHO’s Homeless Response System (HRS) relies on community partners, equity advocates who represent marginalized communities and the collaboration of “people with lived experience” in homelessness (PLE).

Camp Glimmer

In Partnership with

Candlelight Ranch

Camp Glimmer (CG) continued its partnership with Candlelight Ranch throughout the 2022 summer months serving 527 campers. CG provided educational and nature-based experiences for families and children of all abilities and needs to learn, explore and heal. Activities included: creative hands-on programs, zip-line, archery, rock wall climbing, horse back-riding, team building exercises, as well as arts and crafts. Candlelight Ranch prepared and served fresh fruit, snacks, and nutritious lunches for all campers. Youth learned about the importance of eating healthy food and the benefits of growing organic fruits and vegetables. At the close of each day, campers spent time playing games, sharing stories, and cooling off in “Chillville,” a water conservation and educational splash pad built for youth.

Thanksgiving Feast!

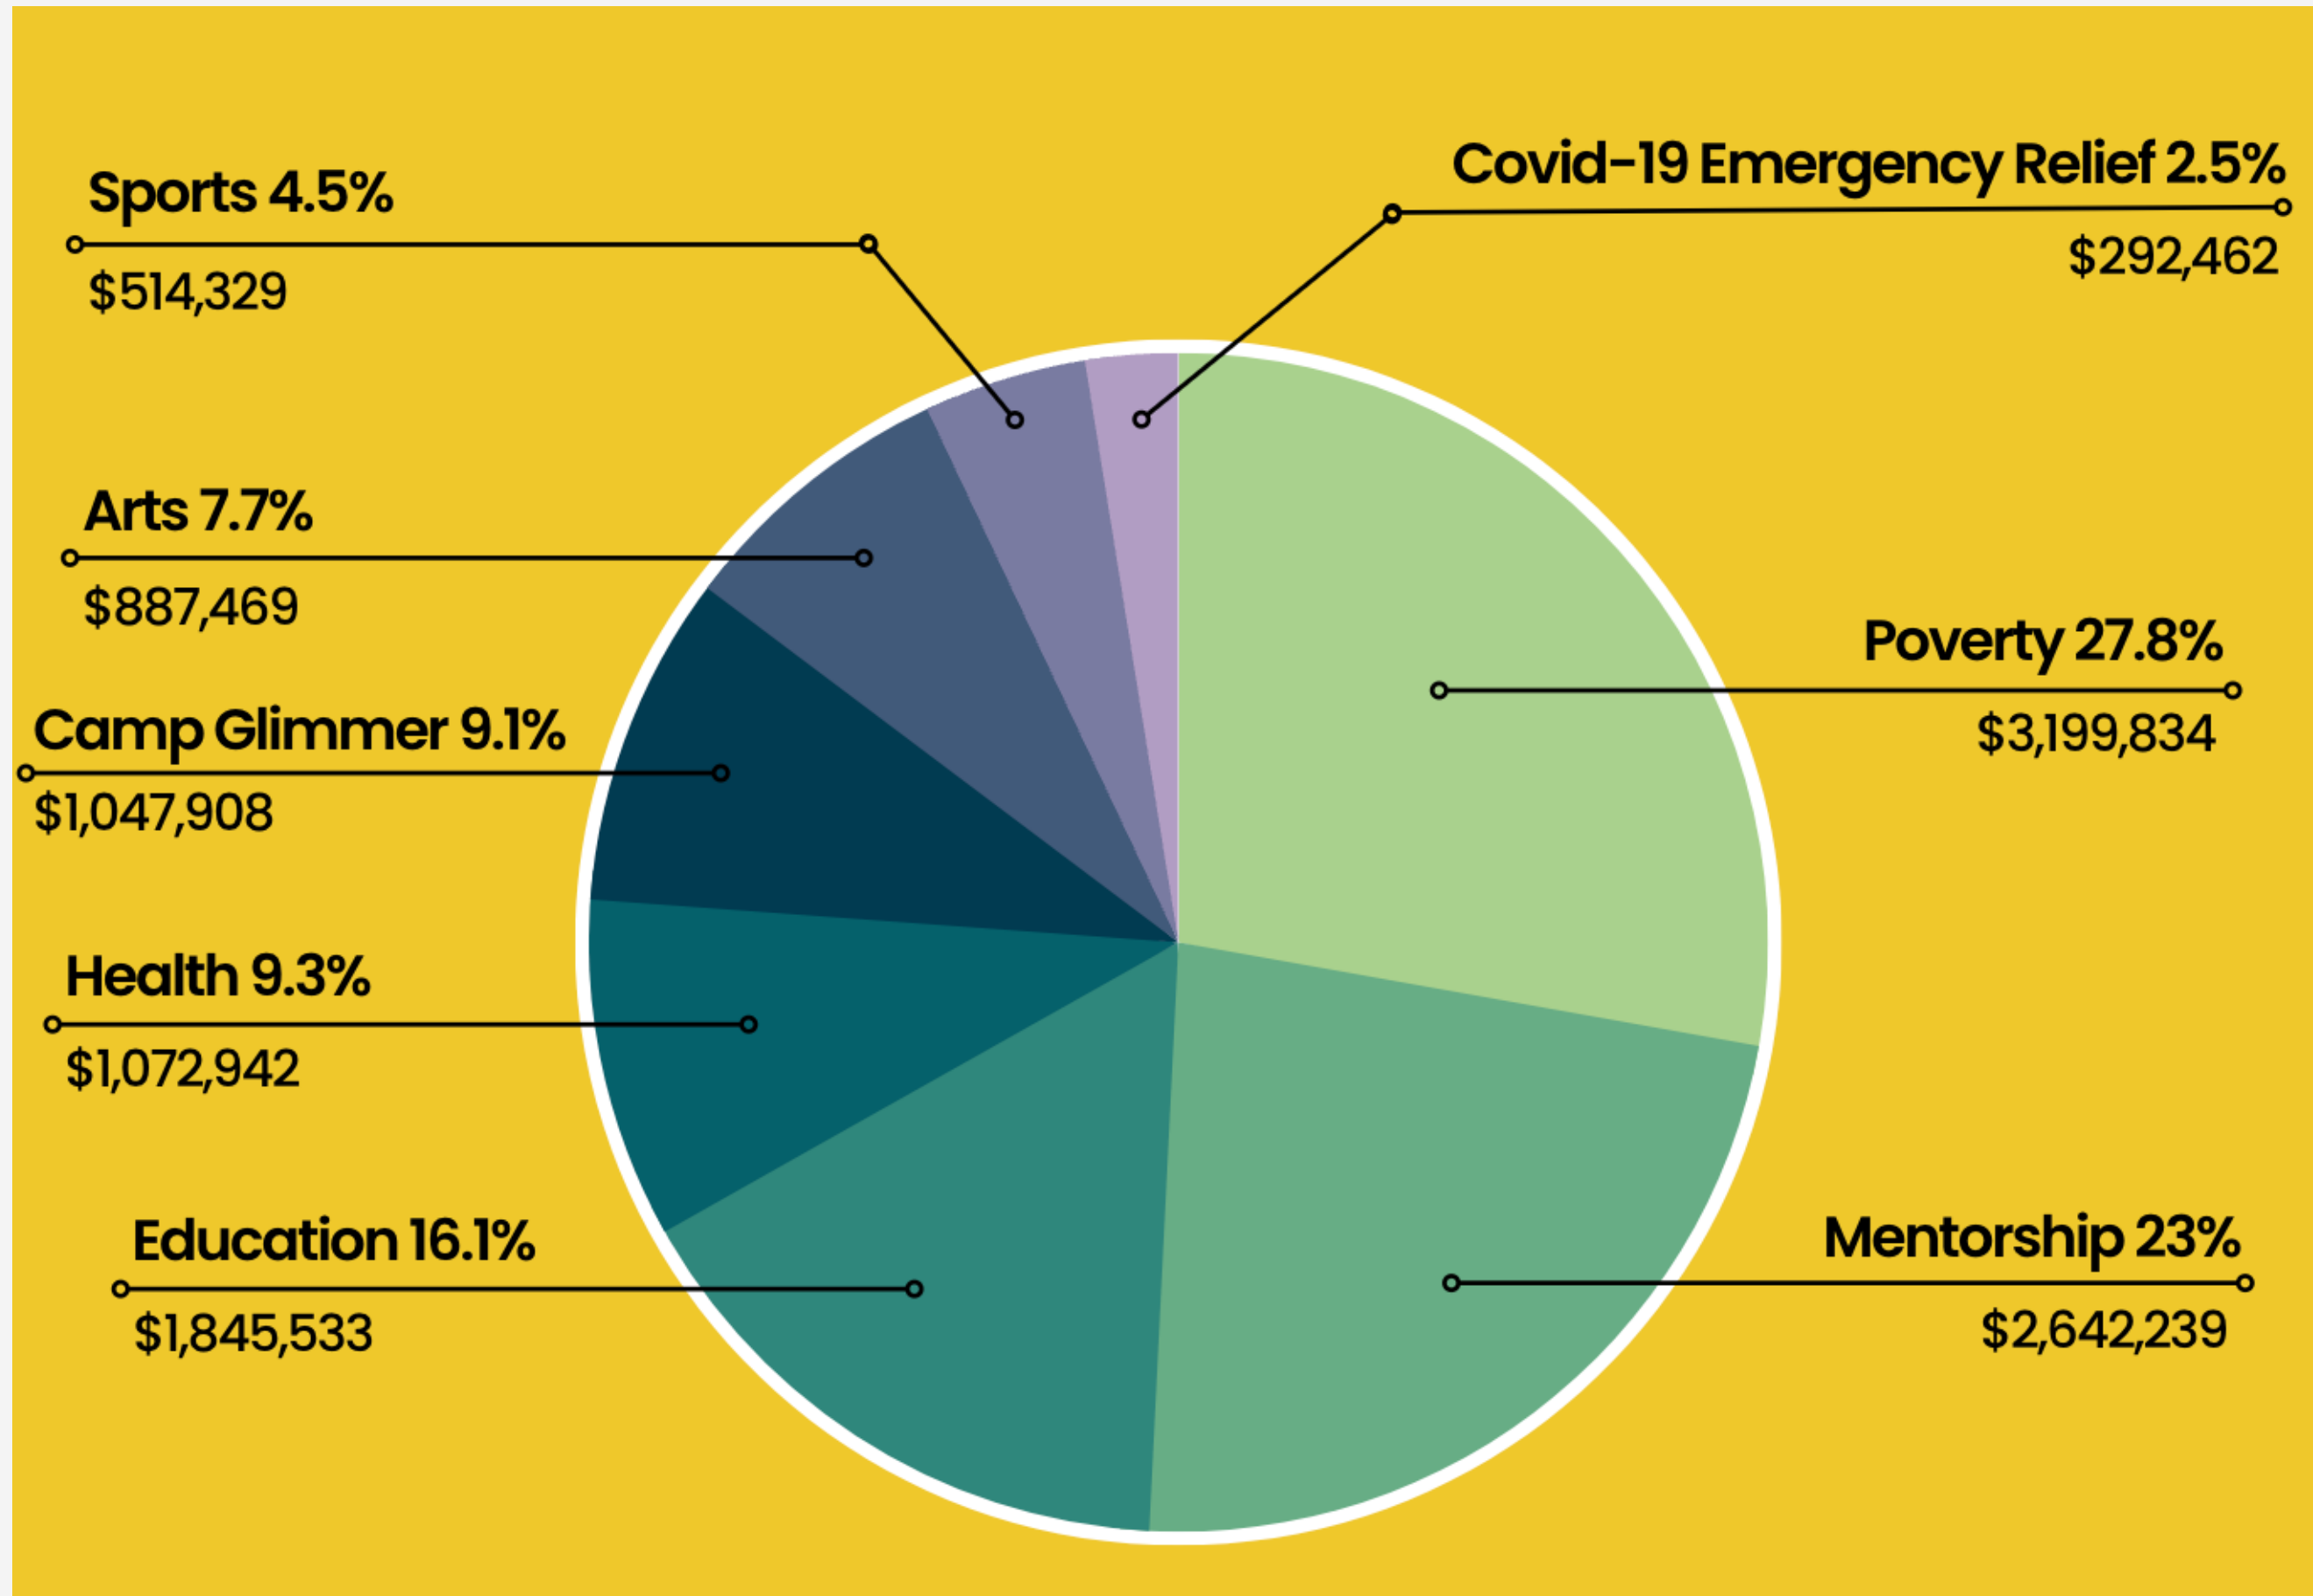

Glimmer|Austin contributed 128 turkeys to several non-profit organizations that provided thanksgiving meals to the homeless and those experiencing food insecurity. An opportunity to gather, feast, and fellowship over a meal offered many individuals a sense of belonging, joy, and an occasion to build community.

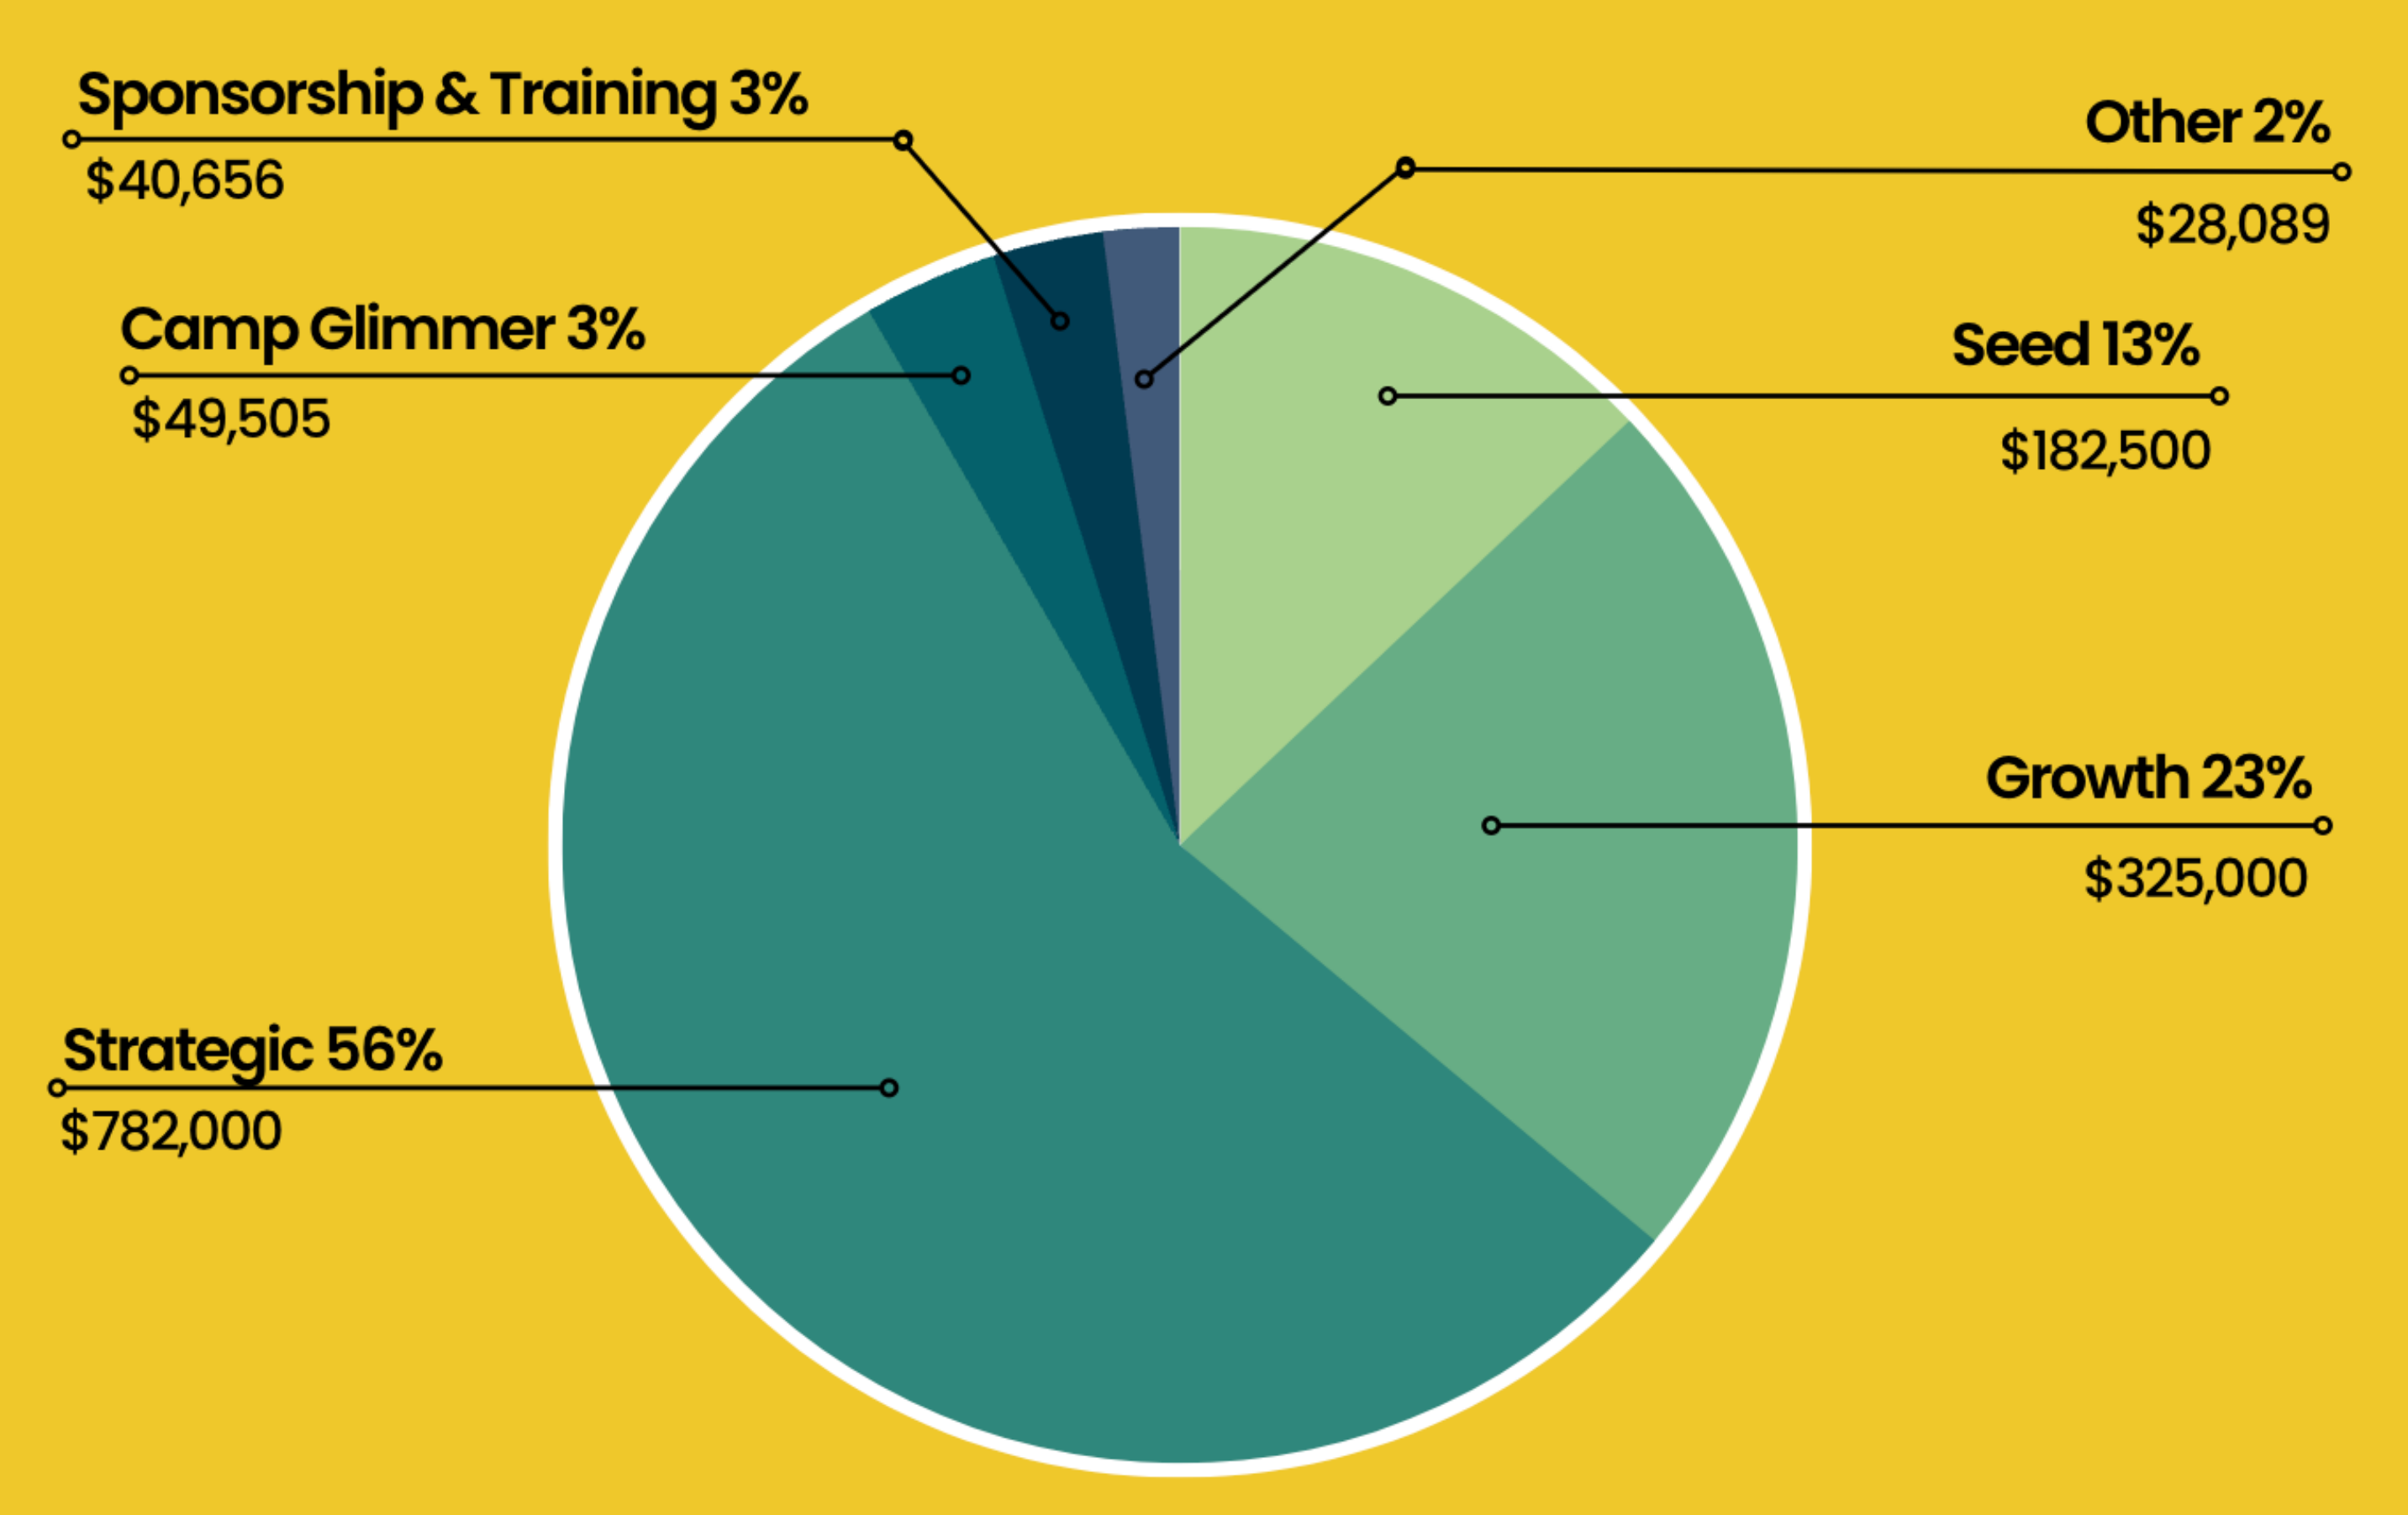

Holiday Cheer!

Glimmer|Austin provided tickets for 363 children from various non-profits to attend Circuit of America's Peppermint Parkway. The children were able to view the extravagant light displays and enjoy the amenities of meals, unlimited rides, carnival activities and other holiday festivities.

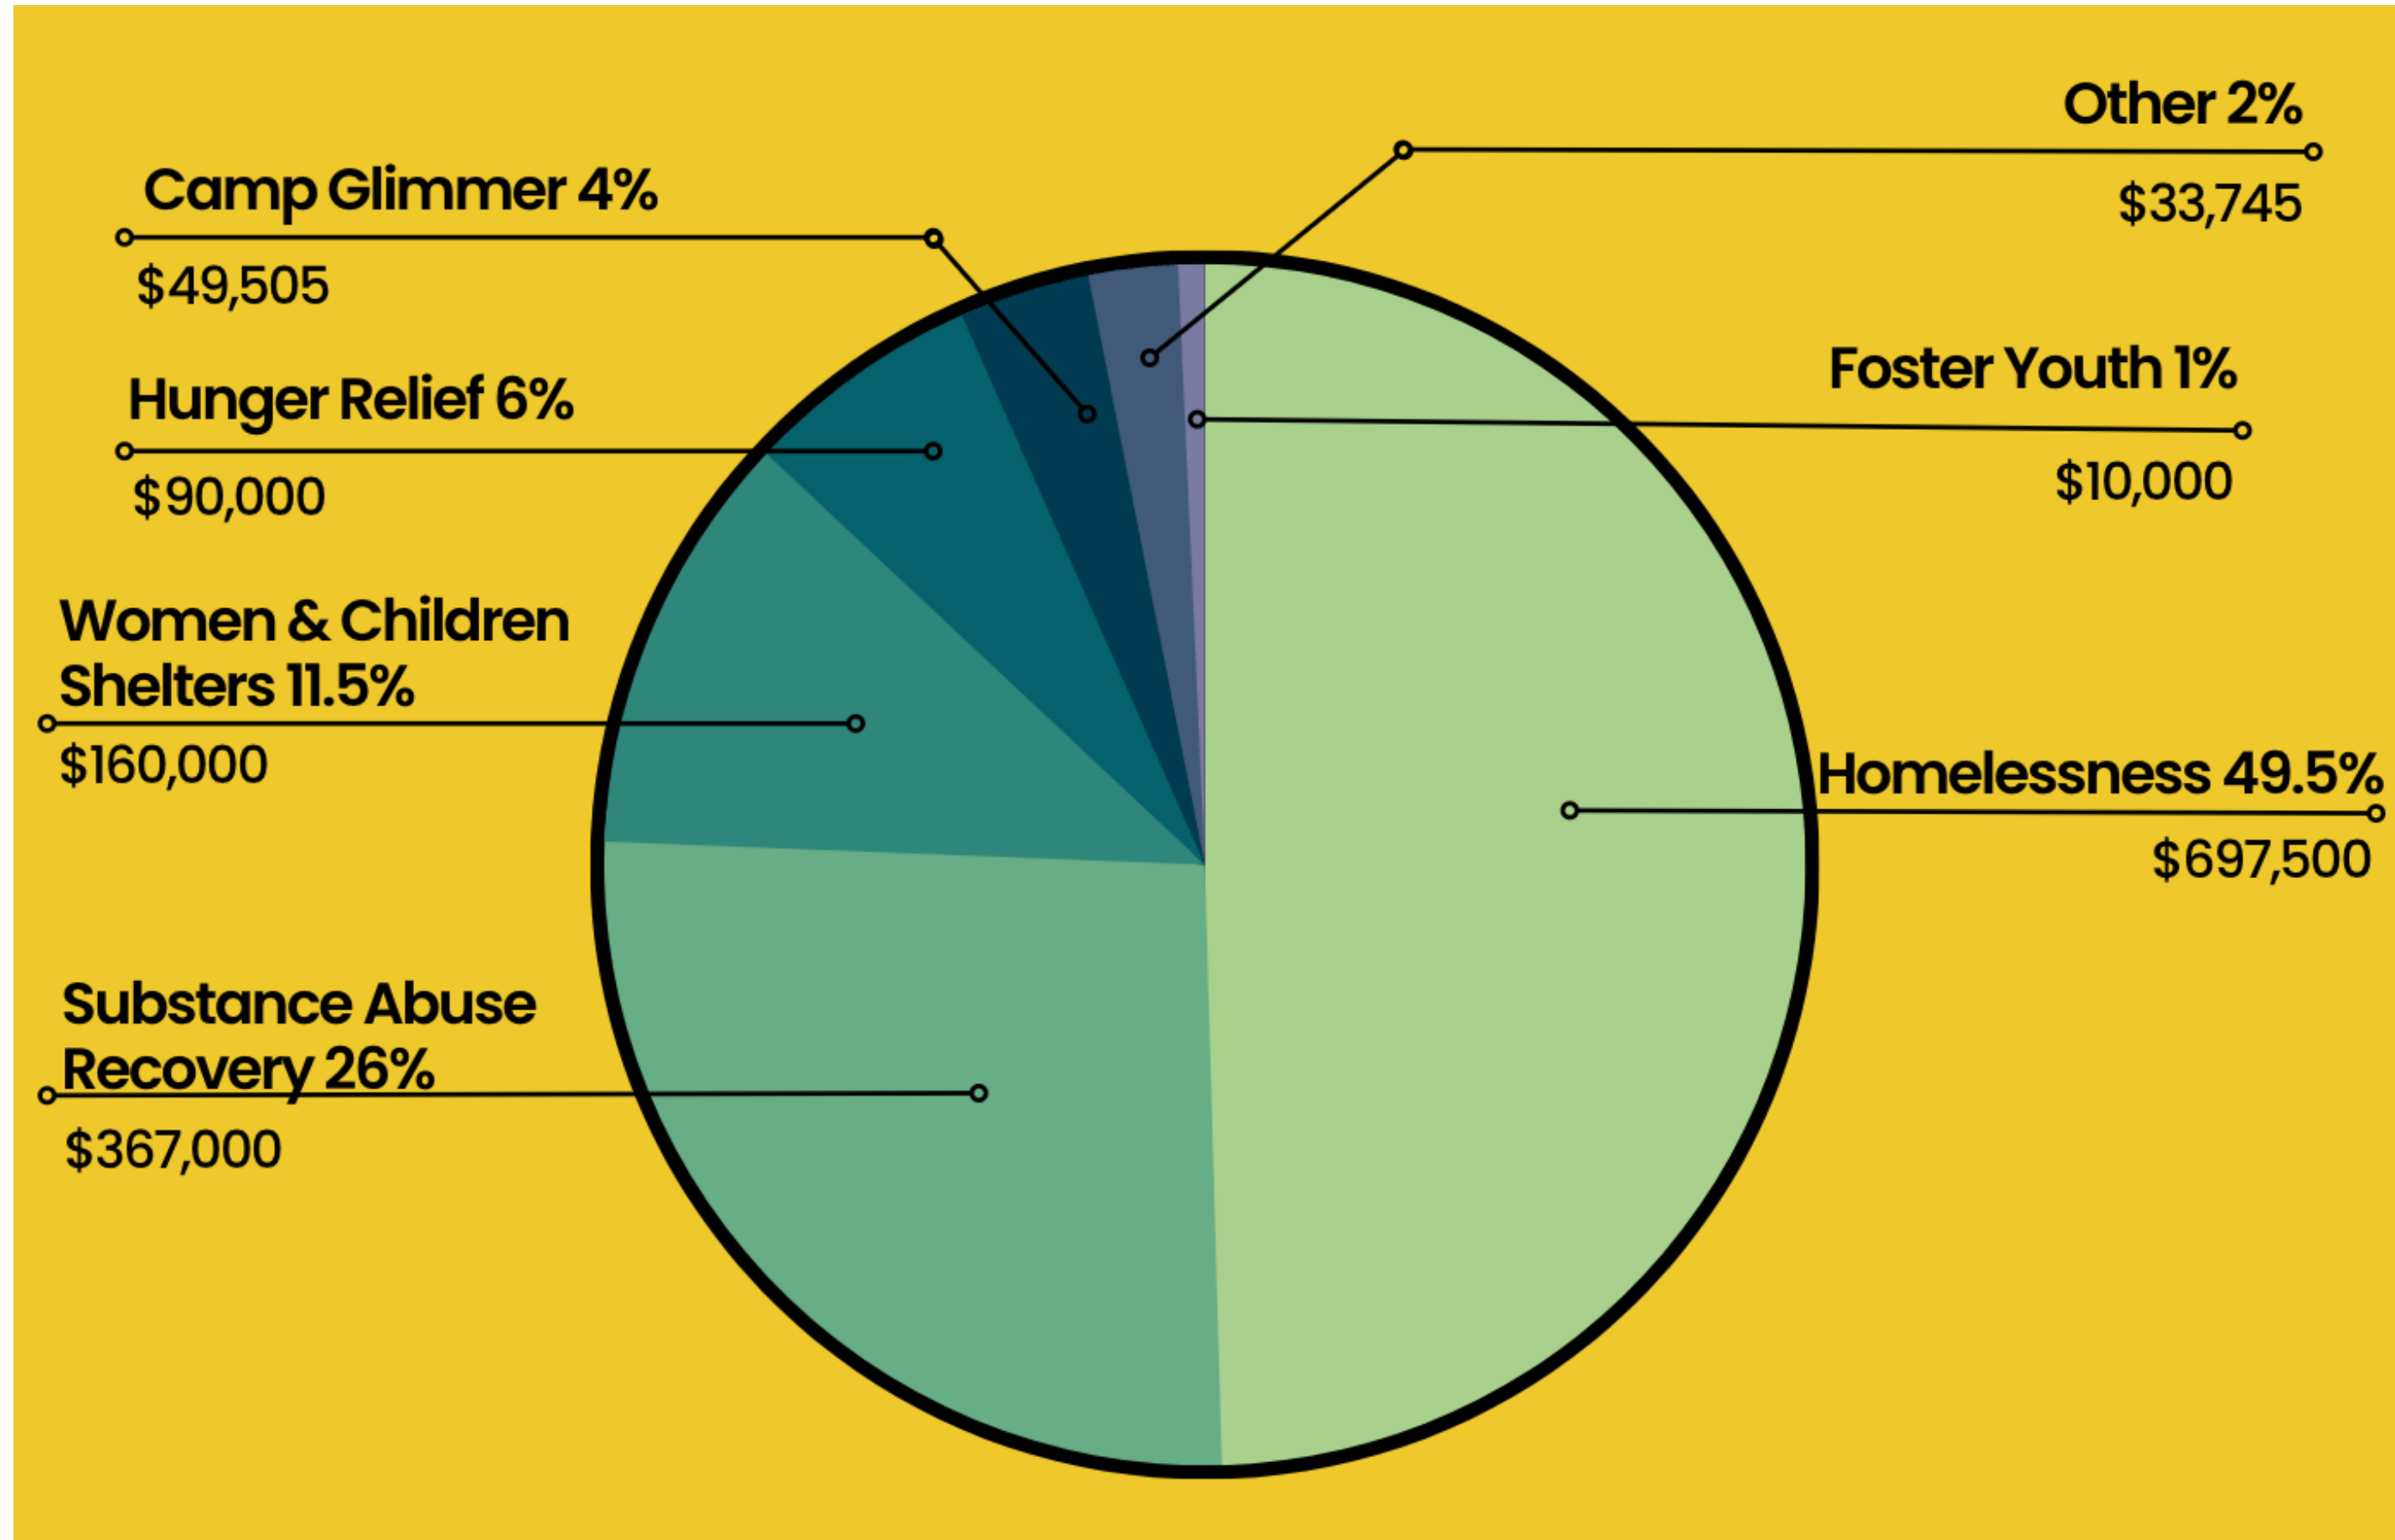

Over the past 19 years, Glimmer|Austin, along with several key donors, have partnered with 250 local non-profits and invested over \$11.4 million into the community.
